## TEAN KENYA GIO

## Team Kenya Sponsor Form

Team Kenya involves entire communities in Western Kenya in gender equality, so that girls and women in rural Kenya can create their own bright futures.

Your donation will empower girls and women in Ndhiwa to reach their potential!

A donation of £10 could fund a solar lamp, pens and books for one girl, to enable her to study effectively at school.

£20 could fund agricultural training for one mother, so that she can be empowered to provide for herself and her family.

**£50** could purchase a bee hive and give the training necessary for a woman to successfully produce honey, to lift herself and her family from poverty.
